

Bridal Glam Preparation Guide

How to prepare for a calm and seamless wedding morning.

Welcome

Your wedding morning should feel calm, joyful, and beautifully organized. At SORTD Beauty by Your Face by Grace, our goal is to create a relaxed and elevated experience while ensuring you and your bridal party feel confident, beautiful, and camera-ready.

A thoughtfully prepared morning helps everything run smoothly from the first brush stroke to the moment you walk down the aisle. This guide includes a few simple preparation tips to help ensure the hair and makeup process runs seamlessly for everyone.

We recommend sharing this with anyone in your bridal party receiving services so everyone arrives prepared.

GETTING READY GUIDELINES

What to Wear

To protect your hair and makeup while getting dressed:

- Wear a robe, button-down shirt, or zip-up top
- Avoid clothing that needs to be pulled over your head

Timing

Our timelines are carefully created to ensure everyone is ready on time.

- Please be ready at your scheduled appointment time
- Delays from one person may affect the schedule for the entire bridal party.

Environment

To ensure the best results, please provide:

- Natural lighting whenever possible
- A clean table or counter space for artist kits
- A chair or stool for each person receiving services
- Access to electrical outlets

These details help our team work efficiently & deliver the best possible results.

HAIR PREPARATION

For the best styling results, please prepare hair as follows:

- Hair should be clean and completely dry when your artist arrives
- Hair may be washed the night before or the morning of the wedding
- Avoid heavy conditioners, oils, or leave-in treatments that may weigh down the hair
- Please do not curl or flat iron your hair before your appointment unless discussed with your artist

Inspiration photos are always helpful to communicate your desired hairstyle.

Extensions

If you plan to wear clip-in extensions, please bring them clean and fully dry.

SKIN PREPARATION

For the most beautiful makeup application:

- Arrive with a clean, moisturized face and no makeup
- Avoid facials, chemical peels, or new skincare treatments within 24–48 hours of the wedding
- Avoid SPF products that may cause flashback in photography
- If you have allergies or skin sensitivities, please inform us ahead of time

Well-hydrated skin photographs beautifully.

We recommend drinking plenty of water the day before your wedding to keep your skin glowing.

BRIDAL PARTY + PRO TIPS

To keep the morning relaxed and running smoothly:

- Bridesmaids should arrive with clean, dry hair and a clean face
- Please arrive at least 10 minutes before your scheduled appointment time
- If someone has a specific look in mind, reference photos are always helpful

Personal Items to Have Ready

We recommend having these nearby:

- Hair accessories (veil)
- Clip-in extensions if using them
- Touch-up lipstick or lip balm
- Any personal skincare you prefer

Grace's Pro Tips for Flawless Photos

A few small details can make a big difference in how your glam photographs.

- Avoid SPF products that may cause flashback in photography.
- Avoid body oils before getting dressed
- Bring blotting papers for shine control
- Eat a light breakfast and stay hydrated before glam begins
